By signing below, I certify that the information provided on this enrollment form is complete and accurate to the best of my knowledge and that this prescription is medically necessary for this patient. I understand that Asembia Specialty Pharmacy Network (ASP) may document modifications to the answers provided on this enrollment form so that the form reflects any updates or additional information necessary to ensure the answers provided are complete and accurate. I further understand that ASP reserves the right at any time and for any reason, without notice, to discontinue any services or assistance provided through this Program. I certify that I have received the necessary authorization to release medical and/or other patient information relating to this prescription to ASP, its affiliates, agents, representatives, and service providers, and for use and disclosure as necessary to determine the patient's benefits or enable the patient to receive the prescribed medicine. I further authorize ASP as my designated agent to use and disclose the patient's protected health information as may be necessary for treatment, payment, and other health care purposes, including to verify the accuracy of any information provided, to confirm the patient's benefits and eligibility, and to permit payment and reimbursement. I further authorize ASP to forward the above prescription information (by fax, electronically or otherwise) to a pharmacy for fulfillment. Finally, by checking the box below, I hereby consent and agree that ASP is permitted to email me regarding prescription status updates. If I do not opt in to receive email updates from ASP I understand I can call the customer service line to receive such updates.

**Please send me status updates via email.** You may opt-in to receive e-mails from ASP regarding the status of your patient's prescription. By agreeing to receive e-mails from ASP, you acknowledge that ASP will send standard e-mails to you via the Internet. Therefore, there is potential for these unencrypted emails to be intercepted by unauthorized third parties. If you share your e-mail account or computer with others, those parties may be able to access your confidential information. You should notify ASP immediately if you wish to cease receiving e-mails or if your e-mail address changes. You should not use e-mails for emergencies.
